CARNIVAL  
Standard Conditions

POLICE DEPARTMENT

71. An appointment for inspection must be made twenty-four (24) hours in advance of opening with the following departments:  
Police Dept. (626) 580-2110  
Building Dept. (626) 580-2050  
Planning Dept. (626) 580-2090  
Fire Prevention (626) 574-0949  
Code Enforcement (626) 580-2080  
Inspection is required by the police, fire and building departments at least two(2) hours prior to opening to the public. The call must be before 3:00pm prior to opening,

925. In the event that the Chief of Police determines that public street traffic conditions may require the dedication of one or more El Monte Police Officers to manually control street intersection signals or otherwise direct public street traffic in the immediate vicinity of the event during the time when the event is in operation, the Applicant shall reimburse the City for such extra police officer time, calculated at a rate per hour for each such police officer assigned to such duty, provided however that the aggregate amount of such reimbursement payable to the City for such extra traffic police officer time shall not exceed the sum of \$1,200. In the event that such an amount is payable as reimbursement to the City for extra traffic safety, police officer time, such amount shall be paid within thirty (30) days following the issuance of a written invoice for payment of such amount by the Chief of Police.

FIRE DEPARTMENT

- 92. Must comply with all Local and State Codes.
- 568. Toe-nailings of two (2) or more levelers in a stack are required.
- 540. All Fire Extinguishers and entry/exit signs must be serviced to date.
- 955. Must acquire all required permits (tents, canopies, special event/carnival permits).

## PLANNING DEPARTMENT

- 73. Portable restrooms must be provided on site.
- 77. The premises shall be vacated within forty-eight (48) hours of the close of the event and be left in the original condition.
- 78. The event must be held on a paved lot or lawn area.
- 268. Applicant must provide an accurate plot plan, showing all carnival rides, game booths, food booths, etc., drawn to scale, of the entire property and attraction location, including distances to the nearest residential property. All carnival rides, game booths, restroom facilities and food booths, etc. must be included on the plot plan.
- 269. Applicant must notify all residents within a 200 foot radius of the event and obtain signatures of approval from at least 51% of them. This list which must contain the printed names, signatures and addresses of these residents must be submitted with the application for the carnival.
- 270. Any carnival ride must be situated at least 200 feet from any residentially used or zoned property.
- 271. Game and food booths must be installed at a maximum distance away from any residentially used or zoned property to reduce the impact noise from the rides.
- 272. An event which is located immediately adjacent to or within 200 feet of a residentially used or zoned property, the hours of operation shall be limited to 10:00a.m. to 9:00p.m., Sunday through Thursday and 10:00a.m. to 11:00p.m., Friday and Saturday, or as otherwise specified by the Permit Committee.

## LICENSE DEPARTMENT

- 42. Applicant must provide proof of insurance which meets the standards set forth in **EMMC Section 3.24.160**. This insurance must be in effect throughout the term of the permit. Expiration / cancellation of a policy during the term of the permit shall be cause for immediate revocation of the permit.
- 74. Must provide evidence of written permission from legal property owner.
- 267. Complete applications for carnivals must be received at least thirty (30) days prior to the opening date of the event and at least two (2) weeks in advance of the Permit Committee meeting at which the event will be considered. A complete application includes: 1) An original and current insurance policy; 2) A plot plan; 3) The list of signatures of 51% of the residents within a 200 foot radius of the proposed location; 4) Written permission from the property owner.
- 291. Must be in possession of a valid Sellers Permit.
- 51. Pursuant to **EMMC Section 5.12.260**, all other City fees and taxes must be paid in full as a prerequisite to the issuance of this permit. Should the permit holder default on the payment of any fee tax due the City by any provision of law or of this Code, this permit shall become invalid.

## CODE ENFORCEMENT DEPARTMENT

922. Applicant shall be responsible on a daily basis for removing accumulated dirt, litter, trash, junk, feces (should be at least 20 feet away from Humans contact), or debris in doorways, adjoining sidewalks, walkways, courtyards, patios, parking lots, planters, yard areas, landscaped and other areas. Applicant shall consult with City-approved waste hauler to determine collection and removal of all debris.

923. Applicant shall take all necessary precautions to prevent the contamination of the water table and avoid disbursements of grease, oil, or other hazardous material on paved or unpaved surfaces, driveways, buildings, walls, or fences, or from which any such material flows or seeps on to any public street or other public or private property, or which is likely to seep or migrate into the underground water table and storm drains.

924. Applicant shall take all necessary precautions to avoid disturbing the public peace, including creating any condition or activity which adversely affects the health, peace or safety of persons residing or working on the premises or in the surrounding area during hours of operation, including set up and clean up.
